Dear Friends and Patients:

It is with mixed emotions that I announce my retirement from dentistry. I have enjoyed getting to know each of you, hearing your stories, laughing with you, crying with you. My life has been so enriched from being a part of yours. With profound gratitude, I thank you for your trust and support over these years.

I will be leaving you in the exceptional hands of Dr. Rebekkah Merrell. Dr. Merrell has advanced training in cosmetic, laser and implant dentistry with over 1,000 hours of continuing education. She received her undergraduate degree from Clemson University, her Bioengineering Masters degree from the Medical University of SC and her dental degree from the University of Pennsylvania School of Dental Medicine. Dr. Merrell then completed an advanced education residency at Carolinas Healthcare System. She has since practiced dentistry in the Charlotte area.

Dr. Merrell is an avid traveler and outdoorswoman. She enjoys running, working out, hiking, whitewater rafting, kayaking and skiing. She also enjoys cooking and spending time with her two dogs. She is excited to call Asheville home and looks forward to getting to know each of you.

The same friendly and caring staff will continue to take care of you. I know Dr. Merrell will appreciate, as I have, all the little things they do to make you more comfortable.

Dr. Merrell invites you to a Meet and Greet gathering at the office between 6:00 pm and 7:30 pm on Thursday, August 22nd. Appetizers, beverages and door prizes will be available.

My best to you all. I will see you out and about in our community.

Most Sincerely,

De\

Kani Louise Nicolls, DDS
